Business plan
Supervised work

WEEK 14
Business plan
Final consolidation & presentation (19- dez)

WEEK 15
Business plan
Presentation

Working in Teams

Build a focused team and establish a clear point of contact

5 students

One class, one team

All group members must belong to the same class.

Agree the team structure early

Confirm members, roles and the team’s working arrangements.

Team Leader

The group elects one member as its designated contact with the teacher.

The leader coordinates administrative, scheduling and communication matters on behalf of the team.

CLEAR CONTACT · BETTER COORDINATION

Milestone 01 | Business Idea & Market Study

Show that the opportunity is meaningful, understood and supported by evidence

What needs to be understood

The entrepreneurs, the company and the idea: motivations for the project, current status, activities to be developed, personal and business objectives, and prospective partnerships.

Evidence to discuss

Present the questionnaire developed for the study.

Discuss the key findings from its application and what they mean for the opportunity.

REQUIRED OUTPUTS

Business Model Canvas
Define the business model.

Questionnaire & results
Present evidence and findings.

INTERIM PRESENTATION · WEEK 6
